

This topic web is for Key Stage 2 for 2 weeks from Monday 13<sup>th</sup> April until Monday 27<sup>th</sup> April.

**There is NO expectation that you should complete all the activities given.**

Please pick and choose the ones that interest you. It would be good to try a range of activities from a few different subjects if possible.

Please email any completed work to your teachers; they'll love to see it.

**Key Stage 2**

**APRIL 13, 2020**  
**TWO WEEK TOPIC WEB**

## LITERACY

Watch this short clip:

<https://www.literacyshed.com/butterflies.html#>

Write a short story about another animal which comes out of a book. What could happen?

Write a poem about a butterfly.

## DT and ART

Design your very own butterfly. You could sketch, paint or make a collage with different materials.

Don't forget to give your butterfly species a name.

## MUSIC/DANCE

Can you find a piece of music that you think fits nicely with the lifecycle of a butterfly?

Make up a dance sequence to the piece of music which shows the different stages from the beginning stages of an egg to when the butterfly emerges.

## ICT

Can you research and write down 5 interesting and fun facts about butterflies?

Create a quiz all about butterflies for your family.

# BUTTERFLIES

## FRENCH

Watch this clip of *The Very Hungry Caterpillar* in French.

<https://www.youtube.com/watch?v=xBpHkMgWld8>

Can you translate any of the words that are used into English?

How did you work out what they meant?

## GEOGRAPHY

Can you find out how many varieties of butterflies there are?

Where in the world can they be found?

Make a list of countries and the butterflies which can be found in them.

Which country has the largest variety of butterflies?

## PSHE

Why do butterflies matter?

Write a paragraph explaining the importance of butterflies and the role that they play in our environment.

## SCIENCE

Draw a labelled diagram which explains the lifecycle of a butterfly.

Can you explain why butterflies are attracted to plants?
