

This topic web is for Key Stage 1 for 2 weeks from Monday 13th April until Monday 27th April.

There is NO expectation that you should complete all the activities given.

Please pick and choose the ones that interest you. It would be good to try a range of activities from a few different subjects if possible.

Please email any completed work to your teachers; they'll love to see it.

BUTTERFLIES

Key Stage 1

APRIL 13, 2020
TWO WEEK TOPIC WEB

LITERACY

Use the picture as inspiration to write a story.

<https://www.pobble365.com/the-author>

Write an acrostic poem about a butterfly.

Retell the story of The Very Hungry Caterpillar.

DT and ART

Design your very own butterfly. You could sketch, paint, make a collage or build a model with different materials.

Symmetry painting.

Look at Vincent Van Gogh butterfly paintings. Can you create some art inspired by his paintings?

Can you bake some butterfly buns?

MUSIC/DANCE

Can you find a piece of music that you think fits nicely with the lifecycle of a butterfly?

Make up a dance sequence to the piece of music which shows the different stages from the beginning stages of an egg to when the butterfly emerges.

The Hungry Caterpillar yoga -

<https://www.youtube.com/watch?v=xhWDiQRrC1Y>

ICT

Can you research and write down 5 interesting and fun facts about butterflies?

Create a quiz all about butterflies for your family.

BUTTERFLIES

OUTDOOR ACTIVITIES

Bug hunt! What bugs can you find in your garden? See if you can spot a butterfly.

PSHE

Think about the changes in the life cycle of a butterfly.

Think about a time when something has changed in your life and how it made you feel?

Draw a picture of yourself and different changes in your life. (Perhaps you have moved house or when you started school for example.) Write about how you felt during these changes.

GEOGRAPHY

Research butterflies found in the UK.

What butterflies can be found in your local area?

(Check out the butterfly conservation work at Heddon Valley in Devon on the national trust website)

What butterflies can be found in different parts of the UK?

Create a fact file about a butterfly species and where it lives.

<https://www.woodlandtrust.org.uk/blog/2019/07/butterfly-identification/>

SCIENCE

Draw a labelled diagram which explains the lifecycle of a butterfly.
