

## Thursday 28<sup>th</sup> January Year R - Home Learning

PE – <https://www.jumpstartjonny.co.uk/home> Enjoy an aerobic session with ‘Jump Start Jonny’

**Phonics-** Live reading and writing session at 10am.

**Literacy** – Complete the reading activity sheet(s) from the class webpage. Once you have read the sentence you draw in the missing part of the picture. You could read it and *talk* about what’s missing if you are not able to print and draw.

**Maths-** Today and tomorrow we are thinking about capacity. You will need different sized containers (a cup, mug, squash bottle, jar, etc) and a small scooper such as an egg cup or washing powder scoop. Count how many scoops of water it takes to fill each of the containers. Make an estimate of how many before you start filling each one. You can write down your findings of how many and think about why ... do taller containers always hold more liquid? *Have fun practising your pouring skills.*

You will need:

**SCARF session with Harold the giraffe in a scarf-** Today we are thinking about what to do when you feel unwell. There is an activity sheet to complete and discuss with your child.

You can continue with your role play doctors or hospital and practising your first aid from yesterday. You can also watch the videos uploaded from staff at Derriford hospital on our class webpage- thank you to Hester’s mummy and colleagues.

**Story-** enjoy this episode of Biggleton “Oscar the nurse has been on a night shift and is ready for a nap, but he struggles to fall asleep because of the noise.” <https://www.bbc.co.uk/iplayer/episode/b09rdwzr/biggleton-series-1-25-noisy-day>

**Have a great day Year R and keep sending me your amazing home learning.**
